

Optimist Club of Lakeside, California

Serving the youth of Lakeside since 1949

Hello There,

I would like to take this time to invite you to become a sponsor for this years Bulls Only Rodeo XX.

In 1949 The Lakeside Optimist Club received its charter from Optimist International and we have been producing various fundraisers ever since that time. Our longest annual fundraiser, Bulls Only Rodeo, began in 1999. We have been successful with this major event for the past Nineteen years due to the generosity and support of great sponsors like you.

Our goal is to raise funds to be invested directly in and for the youth of Lakeside. The support we receive from our sponsors and community makes these investments possible.

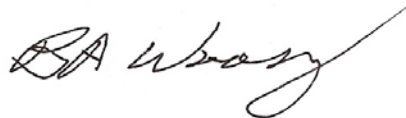

With each year proving to be bigger and better than the last, we are currently searching for sponsors like you to join us on this successful ride. The levels of sponsorship range from \$300 to \$10,000 plus.

Our club takes great pride in the work we do to fulfill our commitment to the youth of Lakeside and we would be proud to work with you and your organization to continue that support.

The Lakeside Optimist Club, our youth and the community of Lakeside greatly appreciate all the support your organization can give our “Bulls Only Rodeo XX”.

On July 13 & 14, 2018.

Enjoy the Ride,

**Brent Woolsey, Chairman 2018

Optimism

~ International and Local ~

Officially founded in 1919, the **Optimist International** organization unified existing **Optimist Clubs** that had been organized as early as 1911. Like their successors, the first Optimist joined together to encourage a spirit of helpfulness and enthusiasm among and throughout their communities.

Today, through Optimist International, thousands of Optimist clubs have hundreds of thousands of members throughout North America. Yearly these clubs conduct over thousands of community youth oriented projects which directly impact millions of our children.

Like most of the Optimist Clubs throughout our great Country, the Optimist Club of Lakeside is interested in the youth of our community. Our enthusiasm and drive is to make youth activities and youth oriented programs a mainstay of our club. We are very much a part of, but not limited to, the following district programs:

Just Say No	Respect for Law	Pro Kids Golf
Oratorical Contest	Youth Appreciation Week	Help Them Hear
Blind Olympics	Essay Contest	Bike Safety Week

Fundraising Record

Each year we are able to invest thousands of dollars back into the youth of Lakeside. In addition to the Bulls Only Rodeo Event, we put on many barbecues, spaghetti dinners and many catered dinner activities.

This year we are proudly celebrating **68** years of service to our youth and community of Lakeside, California.

The Lakeside Optimist Club record of sponsorships includes the following local youth activities including but not limited to:

Lakeside Community Schools Annual Scholarships	Boy Scouts and Girl Scouts Lakeside Sports Teams	Miscellaneous youth donations Annual Kids-Fishing Derby

Bull Riding

Danger! Excitement! Action!

No event at the Lakeside Rodeo Arena combines more of these elements than bull riding. A contest that's been voted "The Most Dangerous Sporting Event in America" by "Sports Writers of America".

The bull riding event pits man against beast as a cowboy (who may weigh as little as 140 pounds) struggles to maintain the ride of his life atop a ton of twisting, snorting, bucking **BULL!** In fact, purposely attempting to ride a surprisingly agile and unimaginably powerful two thousand-pound bull usually doesn't strike reasonable people as a totally sane concept. But that's all part of the "bull riding mystique". Bull riding has become the epitome of rodeo excitement! While there are other popular rodeo events, bull riding... dangerously yet predictably exciting, is consistently a crowd favorite.

Aside from a solid positive attitude, bull riding requires exceptional balance, quick reflexes, flexibility and superb coordination. After climbing onto the bull, the cowboy slips his riding hand in the handhold of a flat-braided rope, pulls the tail of the rope through a loop then puts the rope back through and around his riding hand. When he's ready, the cowboy nods his head as a signal for the gate to open... **and the EIGHT seconds begins.**

*In addition to the excitement of bull riding, equally crowd-pleasing events such as **Team Bronc Riding** and **Mutton Busting** will be included in the Lakeside Optimist Bulls Only Rodeo.*

Rodeo Business and Pleasure

~ Marketing ~

Rodeo is a very competitive sport in which cowboys and cowgirls compete with the clock or try for a high score. Each one of the events includes one or more animals as a part of the rodeo competition. From rodeo's roots in the old west to this modern day. Rodeo has always been exciting and entertaining for all spectators'.

Today, professional rodeo is "**Big Sports Business**". Marketing studies indicate over the past decade that the most profitable and successful way to promote and sell products is through "sports marketing".

Let's examine a rodeo audience... it isn't all cowboys and cowgirls. No matter how they dress, rodeo fans come from all walks of life. Doctors, Attorneys, Teachers, Businessmen and Women are among millions of spectators attending rodeos each year.

Rodeo contestants and fans are extremely loyal to the companies that sponsor rodeo and take their marketed products seriously. **The contestants and spectators alike are notorious for searching out and buying products from rodeo sponsors as their way of saying, "Thanks for supporting rodeo"!**

All of this makes a sponsorship in the Lakeside Optimist Bulls Only Rodeo an investment in the community that produces tremendous rewards for our youth now as well as in the future. This opportunity for your company to take center stage is available by investing in the upcoming and ever popular Lakeside Optimist Bulls Only Rodeo event.

OUR GOAL

We produce a fundraiser like no other providing our spectators an exciting and action-packed sports event. Through the provision of the Lakeside Optimist Bulls Only Rodeo event, we hope to raise the dollars that will allow our Lakeside Optimist Club to work with and help the youth of our community. By producing this event ourselves along with many volunteers, from our Lakeside community, we are demonstrating to the community and more importantly, the youth of Lakeside what a sincere effort will produce.

It's hard work... we know it. But, we like it, it's worth it and we accept the challenge!

Sponsorship Levels

~ An Overview ~

Sponsors are the key to success of the Lakeside Optimist Bulls Only Rodeo Youth fundraiser. At each level of sponsorship there is a valuable sponsor that is equally appreciated for their support.

The Lakeside Optimist Club is a non-profit organization. We operate under Federal Status 501C(3). Therefore all contributions from sponsors, whether it is cash, services or trade-out, each said contribution is a valuable tax deduction. **We look at this way, “Leave your tax dollars to our youth of Lakeside”!**

Our sponsorship program is diverse, not only in the amount of dollars sponsored but also in the services, advertising and benefits that are provided with each level. Of course, we would like to have all of our sponsors as “Corporate Sponsors” but we are aware and understand the importance to involve as many sponsors in the community as possible and at all levels. Therefore we have created several levels of sponsorship ranging from \$300.00 - \$10,000.00, and above.

Official Bulls Only Rodeo Program - Cover: Professionally designed, excellent quality, and distributed to our Bulls Only Rodeo fans at our Rodeo. A **\$1,200 and above** sponsor Level must be attained to be represented on the Official Bulls Only Rodeo Program - Cover.

The contribution for a particular level of sponsorship can be adjusted when a sponsor provides products, benefits or services of a value agreed upon by both the Lakeside Optimist Bulls Only Rodeo Committee and the sponsor.

Such as but not limited to:

In House Advertising: Tagging your paid ads in Radio, TV, Newspaper and Billboards supporting Lakeside Optimist Bulls Only Rodeo and the date of the event. Volunteer t-shirts, bumper stickers, souvenir cups/mugs, etc.

Product Support: Feed, lighting, electrical, printing, water, professional or technical services, etc. Our Lakeside Optimist Bulls Only Rodeo Committee representatives are authorized to discuss and adjust your sponsorship benefits within the guideline of this sponsorship book. We look forward to a future partnership with you for this great community fundraiser for our youth. Please contact us at your earliest convenience at the number below.

Sincerely,

Bill Schadt
